

EXECUTIVE BIOGRAPHY

Florian Bollen

Chairman, Great Wheel Corporation

As founder and chairman, Florian Bollen is the main shareholder of Great Wheel Corporation.

Bollen spearheaded the company's vision, from its initial concept to today's exciting reality: The Singapore Flyer, the world's largest observation wheel, made its debut in April 2008. Currently, Great Wheels also are being developed in major cities worldwide, including Beijing, Berlin, and Orlando.

Before founding Great Wheel Corporation, Bollen served as chief executive officer of the film company International Media. He was responsible for transforming the start-up venture to a stock-listed company.

A native German, Bollen studied in Muenster, Germany. He later graduated with an MBA in International finance from Azusa Pacific University and University of California, Los Angeles (UCLA).

Recently, Bollen was the driving force in the development of the Singapore Flyer. He also played a key role in the development of a deep-sea container terminal in Gdansk, Poland.
